

FULLERS EARTH

Product Name

Fullers Earth

Supplier

Just a Soap
South East Lodge
Rede Road
Whepstead
Bury St Edmunds
IP29 4ST
01284 735043

Composition/Ingredients Information

Definition / Origin: A clay material consisting of a mixture of minerals.
CAS No: 8031-18-3
Status: Chemical
Recommended Use: Cosmetics
INCI: Solum Fullonum

Hazards Identification

Concentrated product. Do not ingest. Observe good housekeeping procedures. The product gives potential for generation or respirable dust during handling and use.

First Aid Measures

Inhalation: Remove from exposure. Seek medical attention for any breathing difficulty.

Eye contact: Rinse immediately with plenty of water for at least 15 mins, lifting upper and lower lids occasionally. Contact a doctor if irritation persists.

Skin contact: Wash thoroughly with soap and water, flush with plenty of water for at least 15 mins. Remove contaminated clothing and shoes. Wash clothing before re-use. Thoroughly clean shoes before re-use. If irritation develops, seek medical advice.

Ingestion: Rinse mouth out with water. Seek medical advice immediately.

Other: When assessing action take Risk and Safety Phrases into account (Section 15)

Fire Fighting Measures

Extinguishing Media: Non-combustible material. Use extinguishers suitable for any other materials that may be involved in a fire.

Special Measures: Avoid vapour inhalation. Keep away from sources of ignition. Do not smoke. Wear positive pressure self-contained breathing apparatus and protective clothing.

Unusual Fire and Explosion Hazards: As with most organic solids, fire is possible at elevated temperature or by contact with an ignition source. Fine dust dispersed in air in sufficient concentrations and in the presence of an ignition source is a potential dust explosion hazard.

Accidental Release Measures

Personal Precautions: Avoid contact with skin, eyes and clothes. Use individual protective equipment (safety glasses, waterproof boots, suitable protective clothing).

FULLERS EARTH

Environmental Precautions: Keep away from drains, soils, surface and groundwater's.

Cleaning Up Methods: Remove all potential ignition sources. Contain spilled material.

Spillages: Ventilate area of leak or spill, sweep up and remove to an approved disposal container. Observe state, federal and local disposal regulations.

Handling & Storage

Precautions in Handling: Apply good manufacturing practice and industrial hygiene practices. Observe good personal hygiene and do not eat, drink or smoke whilst handling. Wear protective goggles and gloves when handling material. Clean cloths must be worn. Observe all warning and precautions listed for the product.

Storage Conditions: store in tightly closed original container, in a cool and dry area away from heat sources and protected from light. Avoid dust formation and control ignition sources. Keep air contact to a minimum.

Fire Protection: Keep away from ignition sources and naked flames. Take precautions to avoid static discharges in working area.

Exposure Controls/Personal Protection

Respiratory Protection: Avoid breathing product dust. Apply local ventilation where possible.

Ventilation: Ensure good ventilation of working area.

Hand Protection: Avoid all skin contact. Use chemically resistant gloves if required.

Eye Protection: Use safety glasses.

Work / Hygiene Practices: Wash hands with soap and water after handling.

Physical & Chemical Properties

Appearance: Pink powder.

Odour: Neutral.

Solubility: Water dispersible (powder).

Stability & Reactivity

Stable when used according to storage specifications.

Toxicological Information

Skin Contact: Not irritant.

Ecological Information

No data.

Disposal Considerations

No data.

Transport Regulations

Irrelevant.

Regulatory Informations

Irrelevant.
