

# SHEA NUT BUTTER

## Product Name

Shea Butter

## Supplier

Just a Soap  
South East Lodge  
Rede Road  
Whepstead  
Bury St Edmunds  
IP29 4ST  
01284 735043

## Composition/Ingredients Information

INCI name: Butyrospermum Parkii  
CAS no: 91080-23-8  
EINECS: 2935157  
Substance name: natural triglyceride  
Hazardous components: none  
Chemical family: triglyceride

## Hazards Identification

Non hazardous.

## First Aid Measures

Skin contact: wash material off the skin with copious amounts of soap and water. If irritation develops, seek medical advice.  
Eye contact: immediately flush eyes with copious amounts of water for at least 15 minutes. Do not let victims rub eyes. If irritation persists seek medical attention.  
Ingestion: Drink 2-3 glasses of water. If gastrointestinal symptoms develop, consult medical personnel. Do not induce vomiting.  
Inhalation: not an expected route of exposure. Remove victim to fresh air. If cough or respiratory symptoms develop consult medical personnel.

## Fire Fighting Measures

Suitable extinguishers: use water fog, foam, carbon dioxide, dry chemical, halon 1211.  
Protective equipment: fire fighters should wear self-contained breathing apparatus.

## Accidental Release Measures

Personal precautions: rubber gloves and apron are recommended. No need anticipated when handling chemical.  
Environmental precautions: not an environmental health hazard.  
Clear up procedure: contain spilled material. Sweep up and recover or mix material with moist absorbent and shovel into waste container. Wash down spill area with hot water containing detergent and flush to a sewer service by waste water treatment facility.

## Handling & Storage

Handling procedures: avoid container damage.  
Storage requirements: store in sealed containers, preferably away from heat or light.

## SHEA NUT BUTTER
